

TEXAS FREEDOM ACT

Kenneth Hyde – Chief Author | Ready When Texans Are
Republican Candidate for Governor of Texas 2030

Already written. Ready day 1.

If it ain't hurtin' nobody, it ain't government's business.

One bold bill slashes dozens of Austin permission slips—unleashing freedoms 73% of Texans already back.

Texans agree (UH Hobby School poll, Feb 2025):

73% support destination resort casinos

60% support online sports betting

56% support sportsbooks at pro venues

Four game-changing wins:

- 1. Coastal Freedom & The Texas Riviera**—Four capped, 100% Texas-owned destination resorts (**Galveston, Corpus Christi, South Padre, Port Aransas**). **Full gaming**: destination resort casinos, online sports betting, in-venue sportsbooks. **Family-friendly** with water parks, fishing piers, live music, spas—boosting existing beach tourism. **Strict regs**, local voter option, addiction safeguards. Keeps **billions** in Texas (no more funding OK/LA casinos), creates **30k+ jobs, hurricane-proof seawalls**, and fuels the **Freedom Fund**.
- 2. Direct manufacturer-to-consumer auto sales** (Tesla and others—no middleman mandates).
- 3. Raw milk straight from trusted Texas farms** (farm-to-table, tested & labeled).
- 4. Home-built homes, barndominiums, container homes** (affordable housing freedom—no forced contractors).

Plus: Axe hundreds of unnecessary occupational licenses killing small biz.

Texas families are crushed by regs that raise costs, kill jobs, and let big corps skate while you pay. Property taxes keep climbing—enough.

This is responsible Texas freedom: strict safeguards, local control, public health protections where needed. No chaos—just opportunity, jobs, and billions for the Freedom Fund to finish property tax elimination (Cultivate Texas Act started the 50% cut—this seals ZERO by 2038).

No new taxes. Schools/infrastructure funded. Real control back to farmers, builders, families, and entrepreneurs.

Freedom-positive | Job-positive | Texas-first

“Cultivating A Better Texas”
