

TEXAS SOVEREIGNTY DEFENSE ACT

Kenneth Hyde – Chief Author | Ready Day 1
Texas border. Texas troops. Texas rules.

- Immediate deployment of Texas National Guard & State Guard directly to the riverbank — not 30 miles back
- Full arrest authority restored — no more catch-and-release on our dime
- All razor wire, buoys, and container barriers declared permanent — felony to remove them
- Federal orders to stand down are ignored unless 2/3 of the Legislature says otherwise
- \$3 billion already lined up so DC can't starve us out

Abbott spent \$11 billion to watch.
This bill ends the watching on Day 1.
